

Daewoo Doosan Solar 210W-V Excavator Service Repair Manual

PERFORMANCE

The Doosan Solar 210W-V is a machine that delivers a powerful, highly effective force, offering superior penetration of the toughest materials. The exceptional tensile force to the wheels is increased by the provision of standard more limited slip differential. The motor provides high power and torque characteristics. As a result, the hydraulic system is able to multi-function with power and speed.
