Instance garden tractors originated in 1965, after the acquisition of Colt Garden Tractors|Colt Tools in late 1964. The motive behind the acquisition was an innovative trademarked hydraulic drive system. This sturdy drive system might effortlessly power a vast array of accessories unusual to tractor pet parents back then. Production started with the 1965 Situation 130 and 180. Both were powered with the dependable Kohler K-Series engine with 10 and also 12 HP specifically.
